

Gojiccino®

Dear Store Owner/Manager,

I am a regular customer of yours because you stock products that I love. I would like to draw your attention to a product that you do not yet offer, but that I also love.

I would like to request that you carry Gojiccino.

- It is an all-natural liquid goji concentrate.
- It makes healthy and delicious lattes, smoothies, iced drinks and frappes.
- It is high in antioxidants and contains no added sugar or preservatives.
- Because it contains no preservatives, it is a refrigerated product.
- It's made in Canada and sells widely throughout the Greater Toronto Area and southwestern Ontario, Greater Montreal and western New York State.

If you are interested in hearing more about Gojiccino, please check the Gojiccino website at www.gojiccino.com or get in touch with their helpful staff at enjoy@gojiccino.com for a sample or a demo.

Thank you for your time, and I look forward to buying Gojiccino at your establishment!
